From the thread makers of Aurifil... a ZOOM program designed to unlock the mystery of thread, Cassandra, a certified Aurifilosopher, will present a fun and informative presentation and trunk show of her award winning quilts. She will then take you behind the scenes to see how she created the Endangered Species Block of the Month designs to accompany the Aurifil 2021 Color Builder Collections. Attendees will come away with an increased knowledge of thread, tools, uses, tips and some exclusive Aurifil swag.
