

MARIA GEE

SCISSORTAIL QUILTING

THURSDAY MAY 19 AND SATURDAY MAY 21

Maria Gee:

Quilt designer, instructor and owner of Scissortail Quilting. From high school math teacher to currently working as a graphic designer for a global non-profit. Self-admitted organization nerd. Maria will guide us through finishing with a bang.

Lecture: Finishing Strong- Getting great results in the last steps of the quilt making process

Thursday May 19, 6:30 pm

Let Maria help you get the perfect finish to your quilt. She will discuss different types of binding strips and focus on different binding techniques, including machine binding methods. Learn how to get perfectly square corners, perfect miter in a corner and how to bind quilts that are curved or have odd angles.

Workshop : Bind It Better \$35

Saturday May 21 9:30- 12:30 am

Learn the ins and outs of binding. How to make perfect binding strips both straight grain and bias. Practice on four mini-quilt sandwiches to learn techniques for beautiful traditional binding, bias binding, and two "quick" machine binding techniques. Students will leave class with a handy cheat sheet and four samples they have made for easy reference when making bindings at home
